

5 November 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 5 November 1965

25X1

[] of OCI gave a background briefing []

25X1

DD/I noted completion of an Agency study of the Chinese Communist advanced weapons threat. The study relates to the Defense Secretary's consideration of NIKE-X as a defensive weapon against a ChiCom threat. Our study is in disagreement with one done by DIA. A covering letter to SecDef for DCI signature has been prepared.

25X1

[] is alerted and will make the study available.

25X1

[]

DD/I referred to [] and his hopes that current negotiations with DIA will permit the Agency to relax its efforts in this program.

25X1

R. J. Smith noted the current crisis in Famagusta, Cyprus. He referred to a 23 October memorandum, given full dissemination, which provided an alert to a Cyprus crisis.

25X1

Smith noted [] failure of a Soviet SS-11 ICBM last night. This is the first failure in some time. (See Action 2)

25X1

25X1

DD/S reported the unsuccessful efforts to make [] part of [] consultant work with us. [] has left [] company.

25X1

25X1

de Silva reported that he had briefed this week House Foreign Affairs Committee Staff Director Crawford who will be visiting Vietnam with Representative Wayne Hays. de Silva will brief Representative Casey today. Casey will visit Vietnam with Representative Teague.

de Silva noted the station cable yesterday from Saigon referring to Ambassador Lodge's favorable view of the Political Action Teams. (See Action 3)

SECRET

25X1

-2-

Bross reported that a revised paper on the China intelligence program will be completed this morning for sending onward to Coyne for Clifford's use when the latter meets with the President. DCI asked Bross to find out from Coyne whether a date has been set for this meeting.

[] reported that weather over Cambodia is still poor and U-2 coverage of the country [] has not yet been possible. Upon completion of this task [] detachment will be withdrawn.

[] noted that NRO has requested Agency help in getting information for responding to various memoranda issued by the SecDef yesterday on reconnaissance matters. (See Action 4)

[] reported Ambassador Bennett's talk with [] about the Leftist Attorney General in the DR. [] is considering sending the Attorney General to Uruguay as Ambassador.

Executive Director reported on the visit here yesterday by the National Interdepartmental Seminar. Three Ambassadors were members of the group and two specifically commended our people in the countries in which they were posted. []

Executive Director referred to two recent letters of commendation, one from Army Adjutant General concerning [] of Security and the other from []

Executive Director noted that the Agency's cost reduction program is on target as of the end of the first quarter of FY 66.

Executive Director reported on current budget issues and the need to identify additional low priority programs. He said he would be conferring with the Deputies and others later today.

DCI asked about the current status of DD/I efforts to generate support from the "soft" scientists. Various problems involved in undertaking this were described and it was agreed that DCI would be given a full briefing. Executive Director referred to a current DD/S study of the implications of anti-CIA atmosphere in U.S. universities.

SECRET

-3-

25X1 DCI said that he is to meet soon with Secretary Vance to discuss
[redacted] Information is to be drawn
together for DCI's use.

25X1 At DCI inquiry R. J. Smith said he had visited [redacted] and
found current support to [redacted] to be in good order.

At DCI inquiry DD/I explained that his work, requested by McGeorge Bundy, in assessing the U.S. bombing program in Vietnam is near completion. The study, it is hoped, will be available Monday. [redacted]

DCI queried the status of efforts to arrange for recruitment of photo interpreters. Executive Director said that he will be meeting this morning to consider a proposed recruitment program and DCI will be briefed on our plans. ILLEGIB

ACTIONS:

1. DCI requested DD/I to consider the advisability of providing that signature of a responsible Agency official is affixed to most CIA studies and projects. DCI said he himself intends from now on to have his signature appear on the first page of all forthcoming NIE's and SNIE's. Action taken

2. DCI wants to be advised of what we know about fuels employed by SS-9 and SS-11. (DD/S&T -- 12 November) DONE

3. DCI noted that he had signed today a memorandum to all Deputy Directors and Heads of Independent Offices reminding them of the Agency's primary purpose of collecting and evaluating intelligence. He pointed out that funding for political action projects, when such projects are carried out on a large scale, must be provided from other sources in the U.S. Government. In general DCI's guidance was that this Agency will fund only what is necessary for intelligence purposes. [redacted] 25X1
